

On Medicare?

Know Your Rights!

If you are on Medicare, you have the right to **FREE** services:

1 Request **Immediate Advocacy** if you have an immediate concern.

3 File a **complaint** if you have concerns about the quality of care received.

2 File a **discharge appeal** if you are not ready to leave your healthcare setting.

4 Ask for **Patient Navigation** if you need help with care coordination. (People with Original Medicare only)

For more information call the Beneficiary Helpline at 1-844-430-9504 or visit www.keproqio.com.
