

# Winter Weather Survival Bags

Cohesive Home HealthCare would like to take the time to give back to our local community. The winter season is rapidly approaching. We are asking for donations to provide the increasing elderly, and homeless population with Winter Weather Survival Bags. We too often forget the needs of others during busy times of the year or life in general. Cohesive Home HealthCare has assessed some of the needs locally and would like to help out as much as we can. We are asking for **New Items** only, due to health precautions. Below are the items we are asking for.

- **BackPacks**
- **Blankets**
- **Coats/Jackets**
- **Socks**
- **Hats, Gloves, and Scarfs**
- **Hand Warmers**

Please bring your donations to our Home Health Office 130 N. Broadway Ste. 106, Shawnee, OK 74801 during normal business hours Mon-Fri 8 AM- 5 PM. Donations will be accepted October 3rd through the end of December 2018.
